Contents of Marine Review, Calendar Year 1910

INDEX TO VOLUME XL

Accident to schooner Asbury Fountain Peculiar.....June 235
Accidents to lake vessels during 1909.....Jan. 38
Accidents to lake vessels from Jan. 1 to May 8.....May 210
Accidents to lake vessels from May 10 to June 6.....June 252
Accidents to lake vessels from June 10 to July 5.....July 294
Accidents to lake vessels from July 7 to Aug. 4.....Aug. 338
Accidents to lake vessels from Aug. 4 to Sept. 4.....Sept. 376
Accidents to lake vessels from Sept. 4 to Oct. 4.....Oct. 414
Accidents to lake vessels from Oct. 6 to close of season...Dec. 506
Accidents to lake vessels—Summary for Oct.....Nov. 466
Admiralty Power Co., The—New engine building comp'y..April 164
Aerial Navigation—Communication by James Stone.....Oct. 408
Aids to navigation on the Pacific coast.....Nov. 434
Air pump—Escher-Wyss design—Description of.....April 148
Alabama—Excursion on new steamer .....July 281
Alabama—Goodrich steamer—Description of.....Aug. 304
Alameda—Steamer bought by Alaska Steamship Co.....April 150
Alaska Steamship Co.—Gives contract for new boat....April 142
Alaska Steamship Co.'s steamer La Touche—Description of .....Oct. 386
Aloha—Yacht—Description of.....April 160
American Blower Co.—Furnishes Sirocco fans for battleship Utah .....April 166
American merchant marine—Address on behalf of it by Congressman James Francis Burke before Tippecanoe Club, Cleveland. .....Feb. 83
American Ship Building Co.—Annual meeting of.....Nov. 447
American Ship Building Co. closes contract for car ferry with Pere Marquette Railroad Co.....Oct. 405
American Ship Building Co. secures rights for Isherwood system of ship construction on the great lakes..Sept. 368
American Steel & Wire Co.—New wire rope tables.....June 256
"Analysis of Tests of Watertight Bulkheads with Practical Rules and Tables for Their Construction"—Discussion on Prof. Wm. Hovgaard's paper at meeting of Society of N. A. & M. E.....Dec. 485
Anderson, Capt. Matthew—Presented with bronze clock from Anchor Line .....Feb. 81
Andresen-Evans Co.—New design of grab bucket.....Oct. 409
Ann Arbor No. 1—Car ferry—Burned.....April 157
April lake levels.....May 204
Aquillo—Steam yacht—Description of.....Dec. 500
Archer, Capt. H. T.—Obituary.....Dec. 493
Argentine and American battleship designs.....Aug. 331
Argentine battleships—Latest .....Sept. 349
Argentine destroyers—Curtis and Parsons turbines for....April 160
Argentine Republic gives contracts for two battleships to Fore River Shipbuilding Co.....Feb. 65
Arkansas and Wyoming—Battleships.....Sept. 375
Asbury Fountain—Schooner—Odd accident to.....June 235
Atlantic City Transportation Co.—New steamer for.....Dec. 501
Atlantic Deeper Waterways Association—Convention at Providence, R. I. .....Oct. 399
Atlantic Equipment Co.—Description of elevator dredge Denver .....March 115
Autogenous welding plants on the Pacific coast.....Sept. 361
Average lake freight rates.....Jan. 27
Aymdante—Thornycroft motor launch.....Oct. 391

Backing trials of scout cruisers Salem, Birmingham and Chester .....Aug. 321
Baker, B. N.—Address on American Merchant Marine at Navy League Convention.....May 187
Baker, Frederic W.—Discussion of Marley F. Hay's paper on "The Design of Submarines".....Jan. 23
Baltimore—New fireboat for city of.....April 145
Barge built by Cammell, Laird & Co.—Cold storage....Sept. 375
Barge—Self-dumping—Description of.....April 143
Barges—Contract let for four coal barges by Frank Waterhouse & Co., Seattle.....April 133
Barges for carrying rock on the Columbia river—Description of .....Jan. 17
Barges for Panama canal—Reinforced concrete.....June 230
Barges for Panama—Concrete.....April 138
Barr, Wm. C.—Obituary.....Nov. 456
Battleship Delaware's trials—Data of.....Dec. 502
Battleship designs—Argentine and American.....Aug. 331
Battleship Florida launched.....May 212
Battleships for Argentine Republic—Contracts awarded Fore River Shipbuilding Co.....Feb. 65
Battleships—Latest Argentine.....Sept. 349
Battleships Wyoming and Arkansas.....Sept. 375
Bayonne Casting Co.—Casting large propellers in Monel metal .....Oct. 415
Beckovitchsky, Bora—New invention of ecallass fire....March 98
Belgian Dover-Ostend steamboat service.....May 191
Benecia and Contra Costa—Gas-power barges—Description of .....March 93
Benoit, Peter—Unique repair job on steamer.....March 97
Berry Bros. Convention.....Aug. 327
Berwindmoor—Collier for Havana Coal Co.....Oct. 387
Bibby Liner Leicestershire—Description of.....May 193
Bid for Newport News Ship Building & Dry Dock Co. for new battleship.....Dec. 497
Bids for torpedo boat destroyers.....Dec. 498
Bill of lading for Canada.....June 249
Birmingham, Salem and Chester—Backing trials of scout cruisers .....Aug. 321
Bixby, Gen. William H. Appointed Chief of Engineers, U. S. A. .....July 286
Blake, Prof. Lucien I.—Talk of submarine signaling....July 296
Blohm & Voss to build motor liner for Hamburg-American Line .....Sept. 343
Boat detaching device—Kinney type—Description of....Nov. 460
Boat shop organization—By F. G. Coburn.....June 241
Boiler explosion on the destroyer Hopkens.....March 111
Boiler—Talbot steam—Description of .....June 238
Boiler—Water-tube—New type of .....Sept. 378
Bolinders VII—Cruise showing possibility of motors on the high seas .....July 273
Boscowitz Steamship Co.—New steamer for.....April 168
Brake on U. S. S. Indiana—Test of.....June 236
Brazil—Description of new 22,000-ton floating dock for...Aug. 317
Brazilian battleship Rio de Janeiro—To be fitted with turbines .....May 197
Brazilian battleship Sao Paulo—Trials of.....July 287
Brazilian torpedo boat Santa Catherina.....March 98
Bridge signals at Duluth-Superior.....June 248
Britain's greatest dock yard—Portsmouth.....March 114
British battleship Lion launched.....Sept. 350
British Columbia steamer—New.....April 168
British cruiser Liverpool—Trials of.....July 274
British Dreadnought Colossus.....May 183
British torpedo destroyer Zulu—Description of.....May 184
British warships—Machinery for new.....July 264
Brown Hoisting Machinery Co.—Description of their B. H. rotary cleaner .....Dec. 504
Brown Hoisting Machinery Co.—New catalog of.....Aug. 338
Bucket—Proctor self-tipping type.....July 290
Bull Steamship Co.'s steamer—Isherwood system.....Feb. 55
Bureau of Mines—Bulletin on Volatile Matter of Coal..Nov. 433
Bureau of Mines—Establishment of.....Oct. 412
Bureau of Navigation—Annual report for year ending June 30, 1910.....July 289
Burger, Clarence L.—Intends subsurface torpedo boat...May 191
Burke, James Francis—Address before Tippecanoe club, Cleveland, in behalf of American merchant marine.....Feb. 83

BOOK REVIEWS.

"Blue Book of American Shipping"—1910 edition—By the Penton Publishing Co.....July 296
"Copper Handbook." Vol. IX—By Horace J. Stevens...April 164
"Fighting Ships"—By C. de Grave Sells.....July 293
Lloyds Register of American Yachts for 1910.....July 282
"Star Identification Tables"—By U. S. Hydrographic Office. .....April 156
"Summer Tours"—C. & B. Line tourist book.....May 208

Cammell, Laird & Co.—Description of cold storage barge built by them.....Sept. 375
Canada and shipping subsidies.....May 197
Canada—Bill of lading for.....June 249
Canada's new navy—Opinion of Sir Robert W. Peks...Nov. 446
Canadian dock building enterprise.....May 208
Canadian dock scheme .....Aug. 332
Canadian Northern Railway Co.—New steamship service from Bristol to Quebec and Montreal.....June 238
Canal from Lake Erie to Lake Michigan—Reasons for one—By P. C. Randall .....Sept. 370
Car ferry Ann Arbor No. 1 burned .....April 157

Car ferry design ..... Oct. 405
Car ferry Pere Marquette No. 18 founders..... Sept. 378
Carthage—Description of steamer..... May 182
Cartier—Survey steamer ..... Aug. 303
Case Fish Co.—Description of their new fishing steamer.. Oct. 424
Chart of the great lakes—New pilot ..... March 128
Chase, Mason S.—Discussion on Morley F. Hay's paper on "The Design of Submarines"..... Jan. 21
Chesapeake Steamship Co.'s new steamers City of Baltimore and City of Norfolk ..... July 263
Chester, Salem and Birmingham—Backing trials of scout cruisers ..... Aug. 321
"Christian Unity in Effort"—By Frank J. Firth..... Sept. 374
City of Baltimore—Brief description of new steamer..... July 263
City of Norfolk—Brief description of new steamer..... July 263
Clarion-Hanna rescue ..... Jan. 29
Coal barges—Contract to build four let by Frank Waterhouse & Co. of Seattle..... April 133
Coal dock of Duluth, Missabe & Northern Railway on St. Louis Bay ..... July 290
Coaling station at Puget Sound—Navy..... Aug. 308
Coaling station at Tiburon..... Oct. 411
Coalless fire—New invention ..... March 98
Coal pier of Virginia Railway at Sewell's Point..... May 194
Coal shipments—Lake ..... Feb. 82
Coal—Testing of Pacific coast coals..... Oct. 392
Coal test—Pacific coast..... Nov. 464
Coal to the Pacific coast—Navy—From the *Stars and Stripes* ..... Feb. 82
Coal train of Virginia Railway—Longest on record of American railroads ..... May 212
Coast ship yards—Merchant work in..... Jan. 3
Coastwise and Transportation—Description of colliers... July 271
Coburn, F. G.—Article on Boat Shop Organization..... June 241
Coburn, F. G.—Article on The Navy Standard Motor Dory ..... July 274
Cold storage barge—Description of..... Sept. 375
Cole, Steamer Thomas F.—Unloading record made on.. Sept. 366
Collie, J. H.—Paper on "The Power Equipment of a Modern Shipyard" ..... March 121
Collier Berwindmoor of Havana Coal Co.'s fleet..... Oct. 387
Colliers Coastwise and Transportation—Description of.... July 271
Colossus—Latest British Dreadnought..... May 183
Columbia Contract Co.—Description of three new barges building for them for carrying rock on the Columbia river ..... Jan. 17
Columbia—Engine of steamer..... March 111
Columbia River stern wheel tow boat C. Minsinger... June 233
Comanche and La Touche—New steamers..... April 166
Comanche—Description of steamer..... May 190
Combination engines ..... July 264
Commencement Bay, the Harbor of Tacoma—Description of ..... June 213
Commerce of Lake Superior—Annual report of L. C. Sabin, Superintendent Sault Canal ..... May 215
Commercial Boiler Works—Active business during 1909.. Jan. 38
Commercial Boiler Works—New welding plant..... Sept. 361
"Comparative Results in Steam and Coal Consumption on Yacht Vanadis"—By Clinton H. Crane—Discussion on paper at meeting of Society of N. A. & M. E.. Dec. 486
Concrete barges for Panama canal—Reinforced..... June 230
Concrete barges for Panama—Description of..... April 139
Concrete dock of Detroit Iron & Steel Co..... April 157
Concrete piers at San Francisco..... July 257
Concrete Pile, A New—By J. M. Wright..... Nov. 440
Contra Costa and Benicia—Gas-power barges—Description of ..... March 93
Contracts for lake steamers..... Dec. 501
Correction—Description of steamer..... May 181
Cost of work in small shipyards..... April 158
Craine, Capt. D. P.—Obituary..... Dec. 493
Cramp, Charles H.—Paper on "Evolution of Screw Propulsion in the United States"—Also discussion at meeting of Society of N. A. & M. E..... Dec. 480
Crane, Clinton H.—Discussion on his paper on "Comparative Results in Steam and Coal Consumption on Yacht Vanadis" ..... Dec. 486
Creole—Performance of steamer..... July 279
Crude oil engine—New type of..... May 192
Cunard Liner Franconia ..... Aug. 319
Cunard Line—To build largest passenger vessel in the world ..... Dec. 498
Cunard Steamship Co. appoints Percy Whatmough to take charge of New York passenger business..... Jan. 38
Cunard Steamship Co.'s report for 1909..... July 289
Curi, Robert—Designs fishing steamer for Case Fish Co.. Oct. 424
Curr, Robert "Iron and Steel Shipbuilding on the Great Lakes" ..... Feb. 64
Currier—Cuba Distilling Co.'s new steamer..... Oct. 400
Danish vessels—Old ..... Dec. 508
Deep sea sounding machine—Invention of Dobbie, McInnes, Ltd. ..... April 164
Delaware—Battleship—Data of trials of..... Dec. 502
Delaware River Iron Ship Building & Engine Works—Plant sold ..... April 162
Denver Elevator dredge—Description of..... March 115
Designing new tonnage ..... July 280
Detroit Industrial Exposition—Marine exhibits at..... July 290
Detroit Iron & Steel Co.—Concrete dock of..... April 157
Dickie, George W.—Discussion of W. M. McFarland on his paper on "The Foreign Trade Merchant Marine of the United States—Can it be Revived?"..... Feb. 58
Dickie, George W.—Discussion on his paper on "The Foreign Trade Merchant Marine of the United States—Can it be Restored?"—By E. P. Stratton..... Feb. 59
Dickie, George W.—Discussion of his paper on "The Foreign Trade Merchant Marine of the United States—Can it be Restored"—By John Reid..... Feb. 59
Dickie, George W.—Discussion of his paper on "The Foreign Trade Merchant Marine of the United States—Can it be Restored?"—By Lewis Nixon..... Feb. 60
Discharging Gear—Sieurin type—Description of..... May 173
Dobbie, McInnes, Ltd.—Deep sea sounding machine.... April 164
Dobbie, McInnis sounding machine—Description..... Feb. 80
Dock at Glasgow—Graving—Largest in the world..... Feb. 55
Dock at Tacoma—Municipal ..... Dec. 499
Dock building enterprise in Canada..... May 208
Dock on St. Louis Bay—Work begun on..... April 162
Dock scheme—Liverpool's new ..... Aug. 316
Dock scheme—The big Canadian ..... Aug. 332
Donald, James—Paper on "Structural Rules for Ships". March 102
Donaldson, John—Appointed president of Monongahela River Consolidated Coal & Coke Co..... Sept. 366
Donnelly, W. T.—Paper on "Floating Dry Docks in the United States; Relative Value of Wood and Steel for Their Construction"—Also discussion on paper at meeting of Society of N. A. & M. E. ..... Dec. 482
Dover-Ostend steamboat service..... May 191
Draught at Poe lock ..... May 203
Dredge for Honolulu—Suction ..... Oct. 385
Dredge Shuniah—Description of ..... June 235
Dredger Walter Glynn—Interesting salvage feat..... Nov. 427
Drummond, Thomas J.—Lake steamer..... July 270
Drummond Thomas J.—New lake steamer..... April 166
Dry dock on the Clyde ..... Nov. 428
Duluth, Missabe & Northern Railway's coal dock on St. Louis Bay ..... July 291
Duluth-Superior—Bridge Signals at..... June 248
Duluth-Superior harbor—Commerce of..... March 128
Dumont, Gen. James A.—Obituary..... July 284
"Duralumin"—A new alloy ..... Oct. 391
Durtnall, Wm. P.—Communication on electric propulsion of ships ..... March 116
Duwamish—Seattle fireboat ..... July 289
Duwamish—Seattle fireboat—Description of ..... March 89

Earle, Robert T.—"A Method of Using Fuel Oil in Vertical Donkey Boilers ..... Nov. 453
Edinburgh Castle—Launch of steamer..... March 111
Edwards, Capt. John—Obituary ..... Dec. 493
Eight-hour law in government work ..... June 233
Electric propulsion of ships..... March 116
Electro-magnetic transmission for marine propulsion—By Jules Lecoche ..... Oct. 407
Elevator dredge for coast harbor work..... March 115
El Mundo—Description of steamship ..... Nov. 425
El Sol—First trip of steamer..... Oct. 385
El Sol—Launch of steamer..... June 236
Engine—Crude oil—New design of..... May 192
Engineers' wages on lake vessels..... Feb. 65
Engine of steamer Columbia..... March 111
Engines on the Rhine—Marine suction gas producer.... July 269
Erie canal—Influence of ..... Oct. 405
Escher-Wyss air pump—Description of..... April 148
Evans, Edwin Townsend—Obituary..... Jan. 32
Evans, Holden A.—Article on oil fuel exclusively used in Mare Island Navy yard blacksmith shop..... Aug. 309
Evans, Holden A.—Article on oil fuel exclusively used in Mare Island Navy yard blacksmith shop..... Sept. 351
Evans, Holden A.—Organization of a navy yard sail loft and flag shop..... Nov. 429
"Evolution of Screw Propulsion in the United States"—Paper by Charles H. Cramp—Also discussion on paper at meeting of Society of N. A. & M. E ..... Dec. 480
Experimental tank to be established by Ship Building and Engineering Employers' Federation..... Sept. 373
Express boats on Lake Minnetonka ..... Aug. 301
